Brief report of the activities of the Mysore Literacy Council till 15th November 1941

The Mysore Literacy Council had its first meeting under the Presidentship of Rajakaryapraveena, N S Subba Rao, on 13th August 1941 and laid down the programme for work of the year and formed its budget. It elected sub committees for Kannada, Urdu, adult education and appointed a working committee called the Literacy committee to carry on the day to day work.

The working committee met twice during the period. The Kannada sub committee met three times. It revised the alphabetical chart and prepared a new primer, both of which have been got printed. It has also revised the Post - Literacy Reader which has been sent to the Press for Printing.

The Urdu committee met twice to prepare a primer for the adults and to prescribe a post literacy reader. The manuscripts are being carefully revised before sending them to Press.

The Adult Education committee met once and prepared a scheme for a circulating library in the City. The Union magazine committee agreed to make this year's number, a literacy number and make over the proceeds from the sale of the number to the starting of a circulating library unit in this city. The number is expected to be ready by the 15th December.

126 Literacy classes were started in the beginning of this year. 10 of them had to be closed for various reasons in the middle. More than 1600 adults are students of these classes. 65 centres have already taken the examinations and within a fortnight the remaining classes will have finished their first term. 75 new volunteers have been trained and drafted for adult literacy work in the city.

The number of full literates in the city who have taken the full course of literacy training of 6 months is 530 till now

The Examinations were conducted by members of the Literacy council with the co-operation of a number of teachers of the High Schools

Interest for literacy work has created among the public of Mysore by celebrating the Literacy Day in the Town Hall under the presidenthip of the Dewan Sahib, by opening a stall in the Mysore Dasara Exhibition and by a number of broadcast talks which were inaugurated by the Minister for Education

The Committee answered many enquiries from persons and institutions within and outside the state and supplied its publications to the Intermediate College Association, Bangalore, Literacy Committee, University settlement, Bangalore, Miss Joan Howarth, Bethany Ashram, Chennapatna Health Officer Closepet area, the Educational and revenue officers of the Chitaldrug District. It supplied a plan to organize a literacy campaign to the District Board, Mandya. It submitted a scheme for State wide campaign to the Minister for Education

The rising cost of paper, necessitated immediate stocking of paper for our publication and for writing materials to the adult students. The Vice-President of the Municipality was extremely helpful in getting for us large donations of Black Boards from the Timber merchants of the locality

Three numbers of the Adult Education booklets were published during the period. The Publicity Officer to the Government has kindly consented to give an advertisement for each of these booklets

The Literacy committee adopted the report and recom-

mending

1 that a circulating library on an experimental scale be started immediately to prevent the literates from lapsing into illiteracy and

2 that arrangements be made to make the literates to take a greater interest in the reading of newspapers
